WHAT WE DID *with*
QUDRA

Implemented by

giz Deutsche Gesellschaft
für Internationale
Zusammenarbeit (GIZ) GmbH

1.7 Million Euros in EUTF Madad and German Government funding has been allocated to improve the living conditions of refugees, IDPs, and local hosting communities in the governorates of Erbil, Duhok, Sulaymaniyah, and Halabja.

34 Quick-Impact Projects (QIPs) have been realised essentially addressing gaps in small scale infrastructure in the sectors electricity, water, education, health, road rehabilitation, and agricultural livelihood reaching more than **180,000** beneficiaries in the North Iraq.

approx. **77,500** persons

have access to
more reliable electricity
(40.300 women - approx. 19.500 refugees, IDPs)

with **QUDRA**

more than
47,000 persons

have access to clean water
(24.537 women - 11.797 refugees, IDPs)

with **QUDRA**

for more than

40,000

students

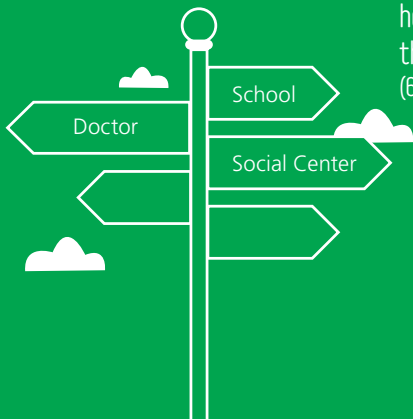

improved learning environment at schools through renovation of school premises (includes water, sanitation, electricity), repair of school furniture

with **QUDRA**

more than **12,000**
persons

have better access to education,
health care and other social services
through roads rehabilitation
(6.260 women - 3.050 refugees, IDPs)

with **QUDRA**

more than **6,000** persons

in the agricultural sector benefit through livelihood projects (essentially through mechanisation of work – increased income, reduced physical work load)
(3,426 women - 1,557 refugees, IDPs)

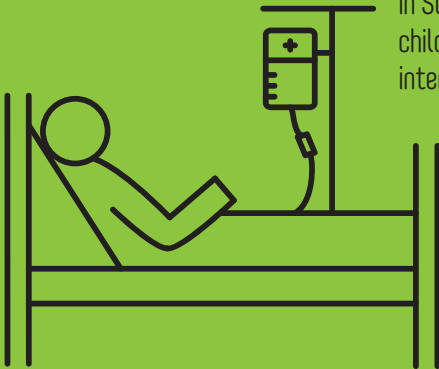

260 children
with disabilities

Duhok's institutes for educational, behavioural, vocational rehabilitation of disabled children have been supported through renovating their premises and provision of equipment, assistive devices in order to create a safe, enabling environment for 260 children with disabilities. Teachers of these institutes have received training

with **QUDRA**

1,000
child patients

Through the rehabilitation and modernisation of the only pediatric ICU in Sulaymaniyah, approximately 1,000 child patients yearly receive improved intensive care.

with **QUDRA**

We reach at least 52% women,
at least 25% refugees and IDPs with **QUDRA**.
